Pursuant to the provisions of Chapter 150E of the General Laws of Massachusetts, this Agreement is made the 8th day of June, -2022 by the School Committee of the Town of Marshfield, Massachusetts (hereinafter referred to as the Committee) and the Marshfield Education Association/MTA/NEA (hereinafter referred to as the Association).

PREAMBLE

Recognizing that our prime purpose is to provide education of the highest quality possible for the children of Marshfield, and that good morale within the employees of the Marshfield School system is essential to the achievement of that purpose, we, the undersigned parties to this Agreement, declare that:

- a. Under the laws of Massachusetts, the Committee elected by the citizens of Marshfield, has final responsibility for establishing the educational policies of the public schools of Marshfield;
- b. The Superintendent of Schools of Marshfield (hereinafter referred to as the Superintendent) has responsibility for carrying out the policies so established;
- c. The support staff of the public schools of Marshfield has responsibility for assisting the professional staff in providing education of the highest possible quality to the children of Marshfield;
- d. Fulfillment of these respective responsibilities can be facilitated and supported by consultations and free exchange of views and information among the Superintendent, the Committee, and the support staff in the formulation and application of policies relating to wages, hours, and other conditions of employment for the support staff; and so
- e. To give effect to these declarations, the following principles and procedures are hereby adopted:

ARTICLE I RECOGNITION

- 1.1 For purposes of collective bargaining with respect to wages, hours, and other conditions of employment, the negotiation of collective bargaining agreements, and any questions arising thereunder, the Committee recognizes the Association as the exclusive bargaining agent and representative of the following noted support personnel of the Marshfield School System:

All full-time and regular part-time Educational Support Paraprofessionals and Library Paraprofessionals employed by the Marshfield School Committee, excluding all managerial, confidential, and casual employees, and all other employees of the Marshfield School Committee. These employees are those certified by the Massachusetts Labor Relations Commission on May 7, 1997, Case Number MCR-4554.

ARTICLE II NEGOTIATION PROCEDURE

- 2.1 The Committee agrees to enter into negotiations with the Association over a successor Agreement in accordance with the procedures set forth herein in a good faith effort to reach agreement concerning employees' wages, hours, and other conditions of employment. Any agreement so negotiated will apply to all employees covered by the Agreement and will be reduced to writing and signed by the Committee and the Association.
- 2.2 During negotiations, the Committee and the Association will present relevant data, exchange points of view, and make proposals and counterproposals. The Committee will make available to the Association, upon request, information relevant to the negotiation and administration of the Agreement pursuant to Massachusetts General Laws, Chapter 150E. Either party may, if it desires, utilize the services of outside consultants and may call upon professional and lay representatives to assist in the negotiations.
- 2.3 If the negotiations described in the Article reach an impasse, the procedures described in Chapter 150E will be followed.

ARTICLE III GRIEVANCE PROCEDURE

- 3.1 **Definition of Grievance:** For the purpose of this Agreement, a "grievance" shall be defined as a dispute arising during the term of this agreement between the Committee and the Association and/or any employee or group of employees concerning an alleged violation, misinterpretation or misapplication of any of the express provisions of this Agreement.
- 3.2 **Definition of Days:** Whenever used in this Article, "days" shall mean school days from the day school opens for students in September through June 14; from June 15 through the day prior to the opening day of the school year for students. "Days" shall mean calendar days. School days are defined to be days in which school is in session for students.

Time Limits: If at the end of fifteen (15) days next following the occurrence of any grievance or the date the aggrieved employee should reasonably have had first knowledge

of such occurrence, the grievance shall not have been presented at Step One of Section 3.5, the grievance shall be deemed to have been waived; and any grievance in course under such procedure shall also be deemed to have been waived if the action required to present it to the next step or level in the procedure shall not have been taken within the time specified therefor in said Section 3.5.

3.3 Purpose:

- a. The purpose of this procedure is to secure, at the lowest possible administrative level, solutions to grievances or potential grievances which may from time to time arise. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.
- b. Nothing contained in this Agreement will be construed as limiting the right of any employee having a grievance to discuss the matter informally with his/her immediate Supervisor and to have the grievance adjusted without intervention of the Association, provided the adjustment is not inconsistent with the terms of this Agreement. The Committee agrees to provide the Association with written notice of any adjustment(s) when made.
- c. Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered MAXIMUM, and every effort should be made to expedite the process. The time limits specified may, however, be extended by mutual agreement of the parties.

3.4 Procedure:

- a. Step One - A grievance shall be presented in writing by the employee to his/her immediate Supervisor within fifteen (15) days next following its occurrence or the date the aggrieved employee should reasonably have had first knowledge of its occurrence. The Supervisor shall, if requested, meet with the aggrieved employee and a representative of the Association. This meeting shall take place within five (5) days of receipt of the grievance. In the event there is no immediate Supervisor or the Supervisor is unavailable or is unable to resolve the grievance, it may be filed immediately at Step Two below. The grievance shall contain:
 1. Name and classification of the aggrieved employee;
 2. Nature of the grievance and contract provisions involved;
 3. Date the grievance occurred;Requested remedy.
 - 4.
- b. Step Two - If the grievance is not resolved at Step One, it may be referred to the Superintendent of Schools within five (5) days of receipt of the Step One answer.

The Superintendent shall hold a hearing within ten (10) days of receipt of the referral and shall answer the grievance in writing within ten (10) days of receipt of the referral or the close of the hearing, whichever is later.

Step Three - Should the grievance remain unresolved, it may be referred in writing to the School Committee within five (5) days of receipt of the Step Two answer. The Committee shall hold a hearing at its next regularly-scheduled meeting or at a meeting called for the purpose of hearing the grievance and shall answer the grievance within ten (10) days following its meeting or the close of the hearing, whichever is later.

- c. Step Four - If the grievance is not resolved at Step Three, the Association, but not any individual employee, may submit the grievance to arbitration within twenty (20) days of receipt of the decision at Step Three, pursuant to the Voluntary Labor Arbitration Rules of the American Arbitration Association.
- d. Grievances regarding discipline and/or dismissal shall be filed at the Principal's level (Step One) or the Superintendent's level (Step Two), whichever is appropriate. The parties recognize that the authority over certain matters is committed under Chapter Seventy-One of the Massachusetts General Laws to the Superintendent and/or Principals.

3.5 The Arbitrator selected as herein provided shall be without authority to add to, subtract from, or modify any provision of this Agreement. The decision of the Arbitrator shall be in writing and shall be rendered within thirty (30) business days after the hearing is declared closed. In reaching his decision, the Arbitrator shall interpret this Agreement in accordance with the commonly accepted meaning of the words used herein (subject to evidence or proof or a contrary intention of the parties at the time the Agreement was negotiated) and the principle that there are no restrictions intended upon the rights, responsibilities or authority of the Committee provided by law or custom other than those restrictions specifically set forth herein. The decision shall be final and binding on both parties and the aggrieved employee(s).

3.6 Notwithstanding any contrary provision of this Agreement, the Arbitrator shall be without power or authority to make a decision which:

- a. is violative or inconsistent with any term or provision of this Agreement or the statutory and/or controlling decisional law of the Commonwealth of Massachusetts or of the United States or which requires the commission of an act prohibited by law; or
- b. exceeds his jurisdiction and authority under Massachusetts General Laws, Chapter 150C and/or this Agreement; or orders any remedy to be effective more than fifteen (15) days prior to the filing of the written grievance concerned or the date the aggrieved employee should reasonably have had first knowledge of such occurrence.

3.7 In lieu of submitting to arbitration under the auspices of the American Arbitration Association, the Committee and the Association may mutually agree in writing to submit any grievance to the Massachusetts Board of Conciliation and Arbitration for arbitration, grievance mediation, or both.

- 3.8 If in the judgment of the Association a grievance affects a group or class of employees, the Association may submit such a grievance in writing at Step Two of the procedure; all provisions of this Article shall apply to such a grievance.
- 3.9 A grievance may be withdrawn by the Association at any step of the proceedings.
- 3.10 Each party shall bear the expenses of its representatives, participants, witnesses and for the preparation and presentation of its own case. The fees and expenses (if any) of the Arbitrator and the American Arbitration Association shall be shared equally by the parties.
- 3.11 No reprisals of any kind shall be taken by the School Committee, by any member of the Administration, or by the Association against any participant in the grievance procedure by reason of such participation.
- 3.12 All documents, communications, and records dealing with the processing of a grievance will be filed separately from the personnel files of the participants.
- 3.13 In the event a grievance extends into a period after the normal school year, all periods of time can be waived in order to expedite completion of the action initiated.
- 3.14 In the absence of a response to a grievance processed at any level of the procedure, the Association may move the grievance to the next level following the expiration of the time limit for the response.

ARTICLE IV MANAGEMENT RIGHTS

- 4.1 Except where such rights, powers and authority are specifically relinquished or modified by the provisions of this Agreement, the Marshfield School Committee retains and reserves all statutory and customary rights, powers, functions, and authority of an employer to manage and direct its working forces including the right to make and modify reasonable rules to assure orderly and effective work, the right to select, hire, evaluate job performance, transfer, assign, promote and retain employees, the right to determine the necessity of filling a vacancy, the right to discipline or discharge employees, and to relieve or layoff employees from duties in whole or in part because of lack of work, consolidations of positions, or for other legitimate reasons, to maintain the efficiency of its operations, to determine the organization, methods, means, technology, equipment and personnel by which such operations are to be conducted, and to take whatever actions may be necessary to carry out the work of the Committee for the public benefit.

- 4.3 The term "Committee" as hereafter used in this Agreement refers to the Marshfield School Committee and shall include the Committee, the Superintendent and Principals, and, in any particular instance, shall mean the Committee, unless Chapter Seventy-one of the Massachusetts General Laws confers authority for the matter on the Superintendent or Principal, in which case it shall mean the Superintendent or Principal, as the case may be.

ARTICLE XI

SICK LEAVE BANK

- 12.1 Upon the execution of this Agreement, a sick leave bank will be established by the Committee and the Association for use by eligible employees to be administered by a Sick Leave Bank Committee ("SLBC") as set forth below.
- 12.2 The bank shall be established by the voluntary deduction of one (1) day of annual sick leave from each eligible employee's personal accumulation effective September 1 of each fiscal year until the maximum is reached. The maximum number of sick days which may be credited to the bank shall not exceed two hundred (200) unless necessary to receive the contribution of newly hired employees who wish to join the bank. Enrollment of new members in the program will take place between September 1 and October 15 each year.

Unless the individual employee notifies the Superintendent in writing by October 15 of that school year that she/he does not want to participate in the bank, all unit members who have already donated to the sick leave bank will continue to be members in the program and shall have one (1) day of annual sick leave automatically deducted from their personal accumulation until the maximum is reached.

The sick leave bank shall be administered by a Sick Leave Bank Committee consisting of two (2) members designated by the Association and two members designated by the School Committee. A fifth member of the Sick Leave Bank Committee as described above will be elected by the unanimous vote of the four members. If the members are unable to agree, the School Committee and the Association shall meet to select the fifth member. This fifth member will not have voting rights unless there is a tie vote on the request for days from the sick leave bank. In order for the SLBC to make decisions, at least four members of the SLBC must be present at the SLBC meeting. Utilization of the bank shall be subject to the following conditions:

- a) Sick leave bank days may be granted only for the applicant's disability as a result of personal illness or injury;
- b) To be eligible to withdraw days from the sick leave bank, an employee must have had twenty (20) days of accumulated sick leave as of the beginning of the school

year in which days are requested, or as of the beginning of the prior school year, and must have contributed to the bank;

- c) Complete usage of all accumulated or accrued sick leave;
 - d) There must not have been any disciplinary action of any kind for sick leave abuse;
 - e) A qualified physician's statement from the employee certifying the disability, illness or accident together with any appropriate medical evidence the SLBC deems relevant and necessary to its decision (to be submitted preferably, with the application requesting bank days and any renewal thereof; the SLBC may not act without submission of a physician's statement). All parties agree that such information shall be treated as highly personal and confidential and shall not be divulged to any persons other than the School Committee, the Superintendent or his/her designee, the Sick Leave Bank Committee or designees of the School Committee and the Association;
 - f) The initial grant may be less than, but shall not exceed thirty (30) days;
 - g) Upon completion of the initial grant, additional grants shall require additional adequate medical evidence, but no individual shall receive more than ninety (90) bank days in any two (2) year period;
 - h) The SLBC shall furnish the Superintendent or his/her designee with its written determination of eligibility detailing its considerations with respect to the above criteria prior to the grant of any sick days. Upon the request of the Association, the School Committee, or the SLBC, the three parties shall meet to discuss any matter pertaining to the administration of the bank.
- 11.3. Any sick bank days granted but not used will be re-credited to the bank. No grants may be made for use in, or carried over to the next fiscal year. All unused days left in the bank will be carried over to the next fiscal year.
- 12.4 If during any fiscal year the bank becomes depleted to twenty (20) days or less, the SLBC shall inform the School Committee and the Association, and the bank shall be renewed by further deduction of one (1) additional day from each eligible employee who is a member of the bank. A maximum of three (3) days per fiscal year may be contributed and/or deducted from each eligible employee who is a member of the bank.
- 12.5 In administering the bank, the SLBC shall not countenance a recipient's abuse of sick bank days or undue delay in processing retirement or other termination of employment because of disability or illness and may reconsider or reduce, at any time, a prior grant of bank days as a result of such abuse or delay.
- 12.6 The SLBC may, with the written agreement of the School Committee and the Association grant additional days beyond the maximums set forth above. The School Committee and the Association may, at any time, amend the provisions of this Article by written agreement.

- 12.7 All decisions of the SLBC with respect to eligibility and any entitlements above shall be final and binding and not subject to the grievance and arbitration procedures herein. Neither shall any failure of agreement to grant additional days pursuant to Section 11.6 be subject to said grievance and arbitration procedures.

- 12.1 In the following cases of Temporary Leaves of Absence with pay, no deduction is to be made from accumulated sick leave.
- 12.2 Employees shall be entitled to the following temporary leaves of absence with pay each school year, subject to the conditions of each subsection:

 - c. Up to five (5) working days at any one time commencing with, and to be used within ten (10) working days immediately following, the date of death of a member of the immediate family (father, mother, grandparent, brother, sister, husband, wife, child, ward, or father-in-law, mother-in-law, brother-in-law, or sister-in-law). In the event of death of other relatives, leaves will be handled at the discretion of the Superintendent.
 - a. It is recognized that absence from employment interrupts the work of the schools and negatively impacts student learning; therefore, absences must be kept to a minimum whenever possible. It is understood that professional staff members will make every effort to attend to their personal business on non-workdays and that requests for personal leave will be submitted only when every effort has been made to schedule compelling personal business so as not to interfere with the employment commitment. Compelling personal business may be legal, business, religious or other matters that cannot be performed before or after normal work hours.
 1. Each professional staff member shall be entitled to two (2) personal days without reason each school year with pay. Personal days shall not be allowed the first two (2) days of the school year, except as allowed under Article X(1)(c). Unused personal days shall not be allowed to be rolled over from one year to the next.
 - d. Notification of, or requests for, personal leave should normally be made at least five (5) days in advance, unless in the case of emergency. Personal leave may not be authorized on days preceding or following school holidays, or vacations.

12.3 Benefits within this Article shall not be utilized to extend holidays or vacation periods.

12.4 The Superintendent may grant unpaid leaves of absence, or, in appropriate circumstances, place an employee on paid administrative leave.

ARTICLE XIII EXTENDED LEAVES OF ABSENCE

13.1 **MATERNITY LEAVE** - A maternity leave of absence of up to two (2) years or any fraction thereof shall be granted to employees without pay.

An employee who is pregnant shall be entitled, upon request, to a leave of absence to begin at any time between the commencement of her pregnancy and one (1) year after the child is born to her. Said employee shall inform the Superintendent of her desire to take such leave and, except in case of emergency, give notice, in writing, at least thirty (30) days prior to the date on which her leave is to begin. The employee shall include with such notice either a physician's statement certifying her pregnancy or a copy of the birth certificate of her child, whichever is applicable.

An employee who is pregnant may continue in active employment as late as her pregnancy permits and she so desires, provided she is able to perform her required work functions, as

substantiated by appropriate medical evidence from her doctor. All or any portion of a leave taken by an employee because of a medical disability connected with or resulting from her pregnancy may, at the employee's option, be charged to her available sick leave.

Maternity leave shall be granted in accordance with applicable Federal and State statutes, guidelines, and regulations.

- 14.1 **ADOPTION** - An employee adopting a child up to the age of four (4) shall be entitled, upon request, to a leave of absence of up to two (2) years or fraction thereof to commence at any time during the first year after receiving de facto custody of said child, or prior to receiving such custody, if necessary, in order for the employee to fulfill requirements for adoption. Pursuant to the provisions of section 13.3 applicable hereto, said employee shall not return from adoption leave until the commencement of the applicable school year following such leave unless a waiver is granted by the Superintendent.
- 13.2 In the event of an employee being granted a leave pursuant to this Article during the course of a school year, said employee will be granted and will take the leave for the remaining portion of the school year and shall not return until the commencement of the next school year unless said requirement is specifically waived by the Superintendent.
- 13.3 An employee on leave under any provision of this Article shall advise the Superintendent, in writing, no later than March 1 of any year, of his/her intention to return to work the following school year.
- 13.4 Any employee on leave under any provision of this Article who was actively employed during at least one-half (½) of the school year in which the leave commenced, shall be eligible to move to the next step of the salary schedule upon return to active service.
- 13.5 Family Medical Leave

The parties agree that the following procedures and understandings shall be applicable to leave requests pursuant to The Family and Medical Leave Act of 1993 (hereinafter "FMLA" or "the Act"):

A. Eligibility

1. FMLA leaves will be available to all bargaining unit employees who have worked for the Marshfield Public Schools for at least twelve (12) months and who have worked at least one thousand two hundred fifty (1,250) hours during the twelve (12) month period immediately preceding the date of commencement of the leave requested.
2. Such leaves may be available:
 - a. To care for a newly born son or daughter, a newly adopted or newly placed foster child; or

- b. To care for a son, daughter, spouse or a parent who has a serious health condition; or
- c. To deal with the employee's own serious health condition if the employee is unable to perform the functions of his or her position.

All definitions of applicable terms such as, but not limited to, " spouse", "son", daughter", "parent", "serious health condition", "health care provider" as used in this Article shall be as such terms are defined in the Act itself. Nothing herein shall be construed to conflict with any applicable provisions of the FMLA.

- 3. Eligible employees shall be entitled to up to twelve (12) weeks of leave during the twelve (12) consecutive month period beginning with the commencement of the leave, subject always to compliance with all applicable conditions set forth below. Normally, days and/or weeks of such leave must be taken consecutively.
- 4. "In loco parentis" relationships must be expressly described by a statement in any FMLA leave request indicating that the applicant is responsible for the care of the person concerned "in place of a parent".

B. Notice Requirement

Eligible employees must provide at least thirty (30) days prior written notice of any request for such leave when the need for such leave is foreseeable such as for the expected birth or placement of a child or planned medical treatment(s). Notice of such leave must be given as soon as practicable if such thirty (30) days prior notice is not possible due to the emergency nature of the leave.

C. Medical Certification(s) Required

- 1. Appropriate medical certification(s) supporting the need for such leave due to a serious health condition of the employee or a spouse, son, daughter or parent ("immediate family") must be provided from an appropriate health care provider as a condition of such leave.
- 2. The Administration may require reasonable and periodic reports and/or recertifications of an employee's status or that of an immediate family member as a condition of the continuation of such leave, including the employee's intention to return to employment.
- 3. Fitness for duty certification(s) indicating an employee is able to return to work may be required after any FMLA leave, or any other leave(s), taken because of personal illness.

4. Any required medical certification must contain the following:
 - (a) the date on which the serious health condition(s) commenced;
 - (b) the probable duration of the condition(s);
 - (c) the appropriate medical facts within the knowledge of the health care provider regarding the condition(s);
 - (d)
 - (i) a statement that the employee is needed to care for the son, daughter, spouse or parent and an estimate of the amount of time needed to provide the care; or
 - (ii) a statement that the employee is unable to perform the functions of his or her position;
 - (e) for intermittent leave or leave on a reduced leave schedule for planned medical treatment, the dates the treatment is expected and the duration of the treatment;

for intermittent leave or leave on a reduced leave schedule because of a serious health condition that makes the employee unable to perform the functions of his or her position, a statement of the medical necessity for, and the expected duration of, the intermittent leave or leave on a reduced leave schedule; and

- (f) for intermittent leave or leave on a reduced leave schedule in order to care for a spouse, son daughter, or parent with a serious health condition, a statement that the intermittent leave or leave on a reduced schedule is medically necessary for the care of the spouse, son, daughter, or parent, or will assist in their recovery, and the expected duration and schedule of the intermittent leave or reduced leave schedule.
 - (g) Forms made available by the United States Department of Labor may be utilized for any medical certification requirements.
5. The Administration may also require second or third medical opinions as defined in the Act at the school district's expense in the event the Administration has reason to question the validity of any certification or re-certification provided by the employee.

D. Leaves, Limitations, Instructional Employees

1. Intermittent or reduced leaves may not be taken after the birth of a child or for purposes of adoption.
2. Employees must make reasonable efforts to schedule planned medical treatment(s) so they do not unduly disrupt the operations of the District.

3. Eligibility for leaves for the birth or placement of a child (for adoption or foster care) expires at the end of the twelve (12) month period beginning on the date of birth or placement.
4. In the event a husband and wife each work in the District and are eligible for FMLA leave, any such leave(s) for the birth or placement of a child or care of a sick parent may be limited to a total aggregate of twelve (12) workweeks.
5. The special rules set forth in Section 108 of the Act for employees employed principally in an instructional capacity and pertaining to intermittent leaves, leaves on a reduced schedule, temporary transfers to alternative positions and periods of leave near the conclusion of an academic term may be exercised, applied, and/or required by the school district in order to lessen the impact of any such leaves upon the students affected thereby.

E. Health Insurance, Seniority, Other Benefits

1. Health and life insurance will be continued during any period of approved FMLA leave. Required employee health and life insurance contributions shall be set off against the employee's first paycheck upon the employee's return to work and upon subsequent paychecks, if need be, until all such contributions have been fully paid.
2. Monies owing the Town and/or Committee if an employee does not return to work shall be set off against available funds owing the employee; if there are no such available funds, the employee will be billed.
3. Seniority and other employment benefits shall not continue to accrue during the unpaid periods of any FMLA leave(s).
4. Employees shall be required to utilize any paid sick leave to which they may be entitled **conterminously** with the period of any FMLA leave provided pursuant to this Article.
5. Employment decisions un-related to the leave status of any employee shall be made as if the employee were not on leave, including but not thereby limiting the generality of the foregoing, decisions regarding reductions in force.
6. Restoration of Employment. Failure to Fulfill Leave Obligations or Return to Duty. An employee returning from an FMLA leave shall be restored to the position he or she held when the leave commenced or to an equivalent position with equivalent benefits, pay, and other terms and conditions of employment.
7. Employees who fail to adhere to any applicable conditions, re-certifications or other requirements of any FMLA leave(s) may be denied a continuation of any

such leave(s).

8. In the event an employee claims he or she is unable to return to work after an FMLA leave has expired because of the continuation, re-occurrence or onset of a serious health condition of the employee, spouse, son, daughter, or parent, the Administration may require certification of such claims by an appropriate health care provider. Any requests for such certification(s) of claims shall not be considered or construed to be a grant of, or a continuation of, any leave granted pursuant to this Article.
9. Failure to timely respond to any requests concerning the employee's intention to return to work as well as an employee's failure to return to work at the expiration of any leave hereunder may result in a determination that the employee has abandoned his or her employment, is unable to continue employment because of incapacity and/or has voluntarily resigned.

13.6 Employees shall be granted unpaid leave to participate in a required practicum required for educational licensure in an accredited program approved by the Superintendent of Schools. Requests for such leave must be submitted as early as possible, but no later than August 1. Such leave shall be for a full school year unless an earlier return is mutually agreed upon.

13.7 Additional extended leaves of absence may be granted by the Superintendent of Schools. The Superintendent's decision relative to granting additional extended leaves of absence shall not be subject to the arbitration provisions of this Agreement.

13.9 Unless otherwise required by applicable federal or state law (such as in the case of military leave), no staff member may be absent from employment as a result of any leave(s) or any combination of leave(s) taken pursuant to this Article for longer than three (3) consecutive school years.

ARTICLE XIV REDUCTION IN FORCE

The Marshfield School System retains the exclusive right and sole responsibility to determine the number of professional and other positions needed in the School system including the right to determine the number of employees to be laid off, recalled, or that a particular type of service should be discontinued in whole or in part. Such decisions shall not be subject to the grievance and arbitration provisions of this Agreement, but once made, the following policy for reduction in personnel will be followed:

- 15.1 In the event it becomes necessary to reduce the number of employees in the bargaining unit, layoffs will be determined by seniority in each classification. Where a reduction in force results in the transfer of a senior employee to a position of a greater or lesser number of hours the employee shall be placed in the position at the established hours.
- 15.2 Employees whose employment will be terminated in full or in part shall be given notice at least ten (10) days prior to the layoff date. The Association will also be forwarded a copy of the notice.
- 15.3 If employees who are laid off request in writing to the Superintendent to be placed on recall, then during a period of two (2) years from the effective date of their layoff, such employees shall be given preference for recall as vacancies develop to the same or similar positions for which they are qualified.
- 15.4 In the event of recall, employees shall be notified by Certified Mail to their last address of record with the Superintendent and must advise the Superintendent of their acceptance of the position being offered within ten (10) business days following the date of mailing of said notice, or forfeit all recall rights. The School system shall not be required to make more than one (1) offer of re-employment during the period that an employee is eligible for recall.
- 15.5 Employees recalled pursuant to the above provisions shall be credited with all accrued time in service of the School System prior to the effective date of layoff for the purposes of placement on the salary schedule, entitlement to other benefits based upon length of service, and any previously unused sick leave.
- 15.6 For the purposes of this Article, seniority will be defined as set forth in Article XV, Seniority.
- 15.7 During the recall period, employees shall be entitled to participate in all group life, accidental and health insurance programs by paying one hundred percent (100%) of the premiums.

ARTICLE XV
SENIORITY

- 15.1 Seniority shall be defined as an employee's continuous length of service in years, months, and days in the Bargaining Unit from her/his initial date of employment (not hiring) by the Employer.
- 15.2 In the event that two or more employees have the same initial date of employment, lots will be drawn to establish the placement on the seniority list.
- 15.3 Seniority shall continue to accrue during any time that an employee is on a paid leave of absence. Seniority will not accrue while an employee is on any unpaid leave of absence. Qualified members of the bargaining unit who are offered and accept temporary employment in the Marshfield Public Schools as a substitute teacher for up to ninety (90) school days and immediately thereafter return to the bargaining unit shall be paid at the substitute teacher pay rate and shall suffer no loss of seniority or other fringe benefits under the terms of this Agreement; they shall be considered to have been on a paid leave of absence.
- 15.4 Service in one (1) classification will not count toward seniority in another classification.
- 15.5 There shall be **three** seniority lists: one (1) for Educational Support Paraprofessionals, and one (1) for Library Paraprofessionals. These lists will be forwarded to the President of the Association within thirty (30) days following the execution of this Agreement. Updated seniority lists will be supplied by the Employer annually thereafter on October 1st.

ARTICLE XVI PERSONAL INJURY BENEFITS

- 17.1 Employees shall be provided with Workers' Compensation coverage pursuant to the terms of Massachusetts General Laws, Chapter 152, as it may from time to time be amended.
- 17.2 During the period an employee is receiving Workers' Compensation, he/she shall be able to accumulate seniority up to a maximum of one (1) year during the period of absence from work.

ARTICLE XVII INSURANCE AND ANNUITY PLAN

- 18.1 Life and health insurance shall be provided pursuant to Massachusetts General Laws, Chapter 32B and in accordance with, and subject to, the terms of any contract(s) between

the Town of Marshfield and appropriate insurance carrier(s). Effective July 1, 2006 (Open Enrollment May, 2006), the Town shall not provide an indemnity health insurance plan (BC/BS Master Health) to employees in the bargaining unit. The Association hereby recognizes and agrees that the Town of Marshfield and the Marshfield School Committee shall be under no obligation to negotiate with the Association with respect to any changes which may be made by the insurance carrier or carriers or any plan, program, or contract(s) of insurance provided to members of the bargaining unit by the Town of Marshfield with respect to the eligibility for, or payment of benefits thereunder, or co- payments or any other fees or charges required to be paid by members of the bargaining unit as a condition of receipt of any benefits provided pursuant to any such plans, programs or contract(s), no matter however denominated or described, including without limiting the generality of the foregoing, any changes in payments or co-payments associated with office visits, physicals, emergency room care or prescription drugs.

- 18.2 The Committee will pay its authorized percentage, as permitted by law, of the cost of the following:
- A. A ten thousand dollar (\$10,000.00) term life insurance plan; and
 - B. Individual or family coverage, whichever applies in the particular case, for the health insurance coverage provided by the Town of Marshfield pursuant to Massachusetts General Laws, Chapter 32B.
- 18.3 The Committee and the Association agree to allow members of the bargaining unit represented by the Association to participate in the Town of Marshfield Premium Conversion Plan, a so-called "cafeteria plan", established pursuant to Section 125 of the Internal Revenue Service Code in order to allow employees of the Town of Marshfield to utilize pre-tax income to pay their contributions toward the premium cost of health, life, and dental insurance provided such employees, pursuant to Massachusetts General law, Chapter 32B. The Committee and the Association further agree that in the event said cafeteria plan is amended or terminated by the Town, the Committee, upon the request of the Association, agrees to negotiate regarding any such amendments or, in the event of termination, regarding the establishment of an alternative plan.
- 18.4 The Committee will, at the written request of an employee, enter into an agreement with said employee to reduce the amount of his/her salary pursuant to Section 403 of the Internal Revenue Code, as amended and in accordance with M.G.L. c.71, Section 37B, and to apply the amount of said reduction in salary to the purchase of a tax sheltered annuity plan for said employee, provided, however, that the Committee will not purchase any such contracts from a company unless the company has at least five (5) employees enrolled as members. Also, new companies must have five (5) or more employees enrolled before the Committee will purchase contracts from them. The Committee will continue to contract with all existing companies with less than five (5) employees enrolled; however, no new contract will be purchased from such companies unless a total of five (5) or more employees are enrolled.
- 18.5 All new agreements for tax sheltered annuities, change in companies, as well as any

changes in the amount of the deductions to be made shall be entered into or completed within ninety (90) calendar days of the opening of a school year. Each employee may effectuate changes and/or enter new agreements on one (1) additional occasion during each school year, provided all such changes or new agreements shall be effective during the month of January.

- 18.6 Deductions will be made in equal amounts each pay period by the Committee from the employee's paycheck.
- 18.7 A policy may be canceled by an employee at any time during the work year.
- 18.8 Nothing herein shall be construed to conflict with the provisions of M.G.L. Chapter 71, Section 37B, as said Section may, from time to time, be amended.

ARTICLE XVIII
PAYROLL DEDUCTIONS AND AGENCY FEE

- 19.1 The Committee hereby accepts the provisions of Section 17C of Chapter 180 and Chapter 149, Section 178B of the General Laws of Massachusetts, and in accordance therewith, shall certify to the Treasurer of the Town of Marshfield all payroll deductions for payment of employee dues (Marshfield Education Association, Massachusetts Teachers Association, National Education Association, Plymouth County Education Association), and tax sheltered annuities duly authorized by employees covered by this Agreement.
- 19.2 For any employee covered by this Agreement who is not a member in good standing of the Association, it shall be a condition of employment during the life of this Agreement that on or after the thirtieth(30th) day following the beginning of such employee's employment or the effective date of this Agreement, whichever is later, he/she shall pay an Agency Service Fee to the Association which shall be an amount equal to the amount required to become and remain a member in good standing of the Association subject to the provisions contained in Chapter 150E, Section 12 of the General Laws of the Commonwealth of Massachusetts, including any provisions regarding the payment of rebates, and all applicable rules and regulations of the Massachusetts Labor Relations Commission, as said Section 12, and any such rules and regulations from time to time may be amended. Any such Agency Service Fee may be deducted from the salary of any such employee who signs an authorization form permitting such deductions and shall be transmitted to the Association together with the regular dues transmitted pursuant to paragraph 18.1 above.
 - (a) If, at the end of the aforementioned thirty (30) days, any employee has not paid the Agency Service Fee, the Association shall so notify the employee of his/her rights under the rules and regulations of the Massachusetts Labor Relations Commission and will request the Superintendent to take appropriate action.

- (b) If the Agency Service Fee has not been paid by any employee within six months of the original notification of non-payment by the Association as provided in paragraph (a), or such longer period as may be required or allowed by applicable laws or regulations, the Association will write to the Superintendent to initiate termination proceedings against the employee or employees.
- (c) The Superintendent agrees to initiate termination proceedings against any employee who has failed to pay the Agency Service Fee as required by this Agreement within fourteen (14) days following the demand for termination as provided for in paragraph (b) unless the employee has exercised rights as provided in Section 17.06 (1-3) of the Massachusetts Labor Relations Commission's Rules and Regulations or by other applicable law or constitutional provision has challenged the validity or amount of the Agency Service Fee.
- (d) No employee who has exercised his/her rights to challenge the validity or amount of said Agency Service Fee shall be terminated during the pendency of any charges regarding the same filed at the Massachusetts Labor Relations Commission or during the pendency of suit(s) regarding the same in federal and state courts.
- (e) The Superintendent or his/her designee shall certify to the Treasurer of the Town of Marshfield all payroll deductions for the payment of dues and/or Agency Service Fees to the Association that have been duly authorized in writing by employees covered by this Agreement.
- (f) The Committee's obligation to make such deductions concerning an employee shall terminate automatically upon notice of the employee's challenge to the validity or amount of an Agency Service Fee, termination of the employee who submitted the authorization, or upon receipt of a timely and properly written notice revoking such authorization, except that deductions shall be resumed if any employee who has been laid off is recalled, and no period of revocation intervened during his/her layoff period.
- (g) The Association shall indemnify and save the Committee harmless against any claim, demand, suit, or any other form of liability that may arise out of, or by reason of, action taken or not taken by the Committee for the purpose of complying with this Article, or in compliance with any dues deduction authorization furnished to the Committee. The Association will intervene in and defend any administrative or court litigation concerning the propriety of such termination for failure to pay the Agency Service Fee. In such litigation, the Committee may, but shall not be obligated to, defend the termination.
